## Welcome Muskingum

OHIO STATE UNIVERSITY welcomes Muskingum to Columbus after an absence of more than twenty years. It was in 1899 that football relations first began between these institutions. The score was 34 to 0 in favor of Ohio State. After a lapse of a few years, a continuous series was enjoyed from 1903 to 1907, inclusive. All games resulted in Ohio victories, 30 to 0, 47 to 0, 40 to 0, 16 to 0, and 16 to 0, respectively. The impending battle marks the seventh game between Ohio State and Muskingum.

Not only does today mark the resumption of gridiron relationships with an honored opponent—it also witnesses over 2,000 high school athletes and their coaches in the stands. Moreover, today marks the last appearance in the Stadium of many outstanding Buckeye players. The following are the Ohio State men who play their last game in Columbus today: George Alber, end, Toledo; Lincoln Cory, fullback, Coon Rapids, Ia.; Joe Cox, tackle, Dayton; Byron Eby, halfback, Chillicothe; Theodore Hieronymous, tackle and fullback, Columbus; Howard Kriss, halfback, Cleveland; John Nesser, tackle, Columbus; Leo Raskowski, All-American tackle, Cleveland; Milton Popp, tackle, Ft. Wayne, Ind.; Cyril Surina, end, Cleveland; Joe Ujhelyi, guard, Lorain; Gordon Walker, center, Columbus; Walter Yingling, center, Lima; William Young, guard, Kenton.

### THE BUCKEYE BATTLE CRY

Words and Music by  
Frank Crumit

In old Ohio there's a team,  
That's known throughout the land;  
Eleven warriors, brave and bold,  
Whose fame will ever stand,  
And when the ball goes over,  
Our cheers will reach the sky,  
Ohio Field will hear again  
The Buckeye Battle Cry.

Drive! Drive on down the field,  
Men of the Scarlet and Gray;  
Don't let them thru that line,  
We have to win this game today,  
Come on, Ohio! Smash thru to victory,  
We cheer you as we go;  
Our honor defend  
So we'll fight to the end  
For Ohio

### CARMEN OHIO

Words and Music by Fred Cornell, ex-'06  
(Hats off, standing)

O, come, let's sing Ohio's praise  
And songs to Alma Mater raise;  
While our hearts rebounding thrill  
With joy that death alone can still.  
Summer's heat or winter's cold,  
The seasons pass, the years will roll;  
Time and change will truly show  
How firm thy friendship—Ohio.

These jolly days of priceless worth  
By far the gladdest days on earth,  
Soon will pass and we not know  
How dearly we love Ohio.  
We should strive to keep thy name  
Of fair repute and spotless fame;  
So in college halls we'll grow  
And love thee better—Ohio.

### Alumni Chorus

Tho' age may dim our mem'ry's store,  
We'll think of happy days of yore,  
True to friend and frank to foe,  
As sturdy sons of O-hi-o.  
If on seas of care we roll,  
'Neath blackened sky, o'er barren shoal,  
Thots of thee bid darkness go,  
Dear Alma Mater—O-hi-o.  
(All in on last Ohio)

### ACROSS THE FIELD

Words and Music by  
W. A. Dougherty, Jr., '17

Fight that team across the field,  
Show them Ohio's here  
Set the earth reverberating with a mighty cheer  
Hit them hard and see how they fall;  
Never let that team get the ball.  
Hail! Hail! the gang's all here,  
So let's beat that Muskingum now.  
Oh, Ohio! Oh, Ohio! Wa-hoo! Wa-hoo! for Ohio.

## Changes in Football Rules

### PROTECTED BACKWARD PASSES

Rules governing incompleated backward passes have been modified so that only those passes which have been thrown approximately two yards or more through the air before striking the ground are now dead at the point of recovery. Such passes are defined as "Protected Backward Passes." On a protected backward pass if the ball strikes the ground, it is a free ball but is dead at the point of recovery.

### FUMBLED PUNTS

There is no longer any distinction between a muffed punt and a fumble. On a fumbled punt, the kicking side may recover the ball but may not advance it beyond the point of recovery. The receiving side may recover and advance the ball.

### INTERFERENCE

On forward pass plays, no interference is permitted whatsoever by players of the passer's side who have crossed the line of scrimmage. Heretofore, the words "after the pass has been made" have been confusing.

# It Goes Over!

THE college student finds Swan Linen the best paper for his note book sheets, typewriter and thesis papers because it is so easy to write on, attractive looking and so strong that it won't pull out of his ring book binder.

As a business or professional man he continues to use it for his stationery because it gives his letters that look of character and good taste that has made Swan Linen the choice of discriminating men for half a century.

Ask for "Swan Linen." You, too, will like it.

In government as on the gridiron, it's efficient team play that counts. Here's the real varsity squad to buck the line in the interests of all the people of Ohio.

Give them the ball on election day, November 6, and watch them plunge through.

With Myers Y. Cooper as governor, sustained by a complete list of state officers and a Republican legislature, Ohio will go forward.

And Ohio will create the interference for Herbert Hoover to crash through to the presidency with Simeon D. Fess and Theodore E. Burton, as Ohio's United States senators, to support him in his policies which mean the best for all of the people.

# The First Solo

The first solo is one of the most thrilling of the many experiences encountered by the student who is intent on learning to fly. After having passed his physical examination and having signed up for a course of instruction, the inexperienced student takes his first lesson. Then comes a period of several weeks of intensive training.

There comes a day when the student is on the verge of becoming an aviator. When the instructor feels that he is quite capable of flying alone, and not until then, the instructor steps out of the plane and says "All right, take it around alone!" \* \* \* If you can place yourself in the place of the student, you can imagine why the first solo is thrilling.
